Assistance for Our Teacher

A letter request for assistance was received on March 22, 2019 from our very own teacher, Laila S. Tan, who was recently hospitalized at Maria Reyna – Xavier University Hospital, Inc. and had a major surgical operation. In her letter, she asks for “kind hearted souls any assistance” to help her with her current situation.

Those who are willing to extend help, you may give any amount directly to the family members.
